How to Access ClinicalKey Student

A screenshot of a web browser displaying the ClinicalKey Student registration page. The page has a white background with a blue header bar containing the 'ClinicalKey Student' logo on the left and a 'Log In' button on the right. Below the header, the word 'REGISTER' is prominently displayed in blue. Underneath, there is a section for 'Already registered? Log In'. The main registration form consists of several input fields: 'First Name', 'Last Name', 'Email Address (This address must be verified)', 'Phone Number', and 'Password'. There is a 'Show Password' checkbox next to the password field. At the bottom of the form, there is a 'Register' button. The browser's address bar shows the URL 'https://www.clinicalkey.com/students/registration'. The browser's tab bar shows several open tabs, including 'ClinicalKey Student', 'Google', and 'YARSI'. The browser's toolbar shows various icons for navigation and search.

7. When you access the first time, you will be asked to Register. Please enter your name and YARSI email address.

The system will match your name and email to the LAYAR database to authenticate.

The platform takes some time to refresh so it is recommended that after the first log in, the user should log out and log back in after a few minutes.
